

DEAR COMMUNITY SUPPORTER:

Trindle Spring Lutheran Church is a congregation of the Evangelical Lutheran Church in America and has been ministering to the Mechanicsburg community since 1765. As part of our continued outreach, our congregation is proud to present our community concert series entitled "Music at the Spring." The goal of this concert series is to provide quality musical performances for the Mechanicsburg community that they would otherwise not have access to due to cost, distance, or accessibility. In its first two seasons, over 500 members of our community enjoyed performances by ensembles such as the Mansfield University Concert Choir and The King's Brass. During our upcoming season we will feature a vast array of talent that includes the Mendelssohn Piano Trio, the Millersville University Jazz Ensemble, and the Hershey Handbell Ensemble.

We invite you to join us in providing these amazing performances to our community free of charge by joining the growing list of sponsors for the 2024-2025 season. Attached to this letter is a document outlining our various sponsorship levels and the corresponding benefits to you. Previous sponsors have benefited from reaching new customers through recognition in our concert programs, as well as through the more than 2,000 people who view their names on our website and social media platforms. Note that all donations are tax deductible. We ask that you please consider this opportunity, and if you would like to support this ministry, return your donation to us at your earliest convenience. If you have any questions, feel free to reach out to me via phone or email.

We thank you in advance for your support of "Music at the Spring." We look forward to hearing from you.
